
Nord Layer VPN

Email Invitation

You will receive an email from support@nordlayer.com inviting you to use NordLayer.

- Click Accept invite
- Your username will be the email address the invite was sent to.
- Setup your password and multifactor authentication
- From the email click on the **DOWNLOAD APP link** (*do not download the browser extension*)
- Make a note of your **Organisation ID** as you will need this to log into the app.

Logging in

- You will need your Organisation ID (Found in your invitation email)
- Enter your email and password you have set in the previous step, if prompted enter the multifactor authentication request.

Choosing your Country

- Once logged in you will be able to select from a list of countries.
- Select one from the list.
- You are now connected to Nord Layer VPN service in that country
